

CHOITHRAM COLLEGE OF NURSING

in collaboration with
VIDYANTA

INACSL - India - RIG

(International Nursing Association for Clinical Simulation and Learning - RIG - India)

is organizing

NATIONAL WORKSHOP

SIMConnect 2K26

{Essentials of Simulation}

THEME - Simulation Excellence: Preparing Future-Ready Nursing Professionals through Simulation-Based Education

Friday
11th September 2026

Time:
08:30 AM - 05:00 PM

Venue:
New Auditorium, Near CI School, Choithram Campus

The workshop covers

- INC Credit hours - 5 CNE hours, 1 CNE Credit
- Simulation in nursing education
- Simulation scenario planning and implementation
- Simulation in various clinical specializations
- Simulation standards and best practices
- Enhancing clinical competency through simulation

CHOITHRAM COLLEGE OF NURSING
BUILDING BLOCK

WELCOME NOTE

We are delighted to welcome you to SIMConnect 2K26: National Workshop – “Essentials of Simulation”, organized by Choithram College of Nursing in collaboration with Vidyanta and INACSL–India RIG.

The workshop brings together nursing educators and professionals to explore simulation-based education, scenario planning, clinical applications, standards and best practices, and competency development. It aims to strengthen clinical confidence, competence, critical thinking, and patient safety through innovative and experiential learning.

We look forward to a meaningful exchange of knowledge, experiences, and innovative practices that will contribute to preparing future-ready nursing professionals.

ABOUT CHOITHRAM

Choithram has been continuously serving in the field of Education and Healthcare since 1970, with a legacy of compassion, innovation, and community development. It proudly operates two CBSE Schools, one IB World School and one State Board School in Indore. Choithram serves humanity through healthcare excellence, running the Choithram Hospital & Research Centre, a premier multi-speciality facility, along with Choithram College of Paramedical Sciences and the Choithram College of Nursing.

Choithram College of Nursing stands as a pioneering institution in Central India, shaping the nursing landscape since 1982. Started with GNM in 1982, upgraded Graduation in Nursing in the year 1996 and Masters in 2005. Embracing a holistic approach to student development infused with a spiritual touch, the college innovative teaching methodologies and fosters integrity and creative academic autonomy. Dedicated to maintaining high academic standards, the college has received NAAC Accreditation 'A' grade and ISO certification. Upholding academic and clinical practices, the institution features unique elements Nurse-Led Clinics - The Healthy Mother and Healthy Baby Cell and the Multidisciplinary Behaviour Intervention Unit.

OBJECTIVES OF THE WORKSHOP

To organize a One day National Workshop aimed at strengthening the competencies of nursing educators in simulation-based teaching, learning and assessment.

Objectives: The workshop aims to enable participants to:

- Understand concepts of simulation-based education
- Differentiate teaching from simulation-based training
- Learn INACSL Simulation Standards
- Develop simulation scenarios
- Integrate simulation into INC curriculum
- Conduct simulation-based assessment
- Utilize existing skills laboratories effectively
- Compare OSCE and Simulation-Based Evaluation
- Purpose
- Compare OSCE and Simulation-Based Evaluation

OUR COLLABORATOR- VIDYANTA

Vidyanta is a healthcare training organization focused on strengthening clinical competence and improving patient care through competency-based and experiential learning. Established in 2011, Vidyanta provides clinical training for nurses and doctors and has been an early provider of scenario-based simulation training in India. Its programs integrate hands-on practice, simulation-based learning, assessment, and clinical standards to bridge the gap between theoretical knowledge and real-world practice. INACSL–India RIG (International Nursing Association for Clinical Simulation and Learning – Regional Interest Group, India) promotes excellence in simulation-based education by fostering collaboration, knowledge sharing, research, and adoption of evidence-based simulation practices among healthcare educators and professionals in India.

Together, they contribute to advancing innovative, experiential, and standards-based learning for safer and more competent healthcare practice.

SPEAKERS

Ms. Robia Chacko
Sr Manager-Training & Quality
Vidyanta Medical Simulation Center
Co-Chair-INACSL-India RIG

Dr. Jaideep Herbert
Chief Operating Officer (COO)
Vidyanta Medical Simulation Center
President- INACSL-India RIG

PROGRAM SCHEDULE

DURATION	SESSION	OBJECTIVES & SPEAKER
9.15-10.30	Introduction of Simulation	• Concept of simulation-based training • Difference between teaching and training • Importance of Simulation in Nursing - Why Dr. Jaideep Herbert, Head- INACSL INDIA RIG COO-VIDYANTA
10.30- 11.15	Inaugural Ceremony	
11.15- 11.30	Tea Break	
11.00-12.00	Discussion session on developing case scenario for simulation in nursing academia	• Components of case scenario • Challenges in case scenario • Creation of case scenario • Factors of case scenario Ms. Robia Chacko, CO-Chair- INACSL INDIA RIG
12:00-12:30	Introduction of INACSL simulation standards	Nursing simulation-based training standards from International Nursing Association of Clinical Simulation and Learning, USA Dr. Jaideep Herbert , Head- INACSL INDIA RIG COO-VIDYANTA

PROGRAM SCHEDULE

DURATION	SESSION	OBJECTIVES & SPEAKER
12:30- 1:00	Debriefing the heart of simulation	- Principles of debriefing - How to conduct - What to do What NOT to do in debriefing Ms. Robia Chacko, CO-Chair- INACSL INDIA RIG
1:00- 1:30	Difference Between OSCE & Simulation based assessment	- Principles of debriefing - How to conduct - What to do What NOT to do in debriefing Dr. Jaideep Herbert , Head- INACSL INDIA RIG COO-VIDYANTA
1:30-2:30	Lunch Break	
2:30-4:15	Simulation in practice - All Specialization	- Principles of debriefing - How to conduct - What to do What NOT to do in debriefing Dr. Jaideep Herbert , Head- INACSL INDIA RIG COO-VIDYANTA Ms. Robia Chacko, CO-Chair- INACSL INDIA RIG Ms. Maria Bajaj, Simulation Instructor Mr. Denny Siby, Simulation Instructor Mr. Abhay, Simulation Instructor Mr. Vismaya Raj, Simulation Instructor

PROGRAM SCHEDULE

DURATION	SESSION	OBJECTIVES & SPEAKER
4:15-4:30	Short Break	
4:30-4:45	Q&A- Integrating simulation into curriculum	• Principles of debriefing • How to conduct • What to do What NOT to do in debriefing Dr. Jaideep Herbert, COO-Chair- Head INACSL INDIA RIG
4:45-5:00	Post test & Valedictory
