Slow Learners & Advance Learners Policy -

Methods of assessment

At Choithram College of Nursing, students are assessed from the time of admission (entrance, aptitude test and interview) their performance in the initial stage of programme and by asking oral questions in classes. Institution takes care not to create psychological division among students and labelling them as particular type. However it is aware of general scholastic abilities of students. Teachers make a close observation of students learning and thinking style of students. Some students are active and energetic, some are extrovert and some are introvert, some have positive self-concept whereas some have negative self-concept. Students are assessed on the basis of their performances in the unit test, internal exams and demonstrations. Students who secure less than 40% marks are identified as slow and students securing 70% and above are identified as advanced learner.

Measures for Facilitating Slow and Advance Learners-

- Compensatory and remedial classes are organized for the students.
- Groups are formed for peer tutoring. High performer students help slow learners in understanding topics.
- Mentoring is provided by faculty members.
- Extended library hours are provided.
- Writing Assignments are given.
- Learning skills like notes taking, out lining and active listening is promoted.
- Academic and personal counselling is given to the slow learners by the tutor, mentor, and the counselling cell.
- Bilingual explanation and discussions are imparted to the slow learners after the class hours for better understanding.
- Provision of simple and standard lecture notes/course materials and special preparation for the exams
- Students are motivated to solve university question papers
- Demonstration and re-demonstration of procedures
- Students are encourage to participate in seminars, conferences
- Regular clinical posting, field posting is organized

- Subject teachers conduct regular class tests and re-tests.
- Research projects

S No	Assessment Criteria	Weightage
1	Mid Term Test / Class Tests Assignments/ Class participation and responsiveness /	15%
2	General awareness / Attentiveness etc.	10%
3	Class Attendance / Participation in other Activities	5%
4	University Exam	70%

Based on above assessed parameters students are classified into three groups:

- If aggregate score in Internal Assessment is < 40%; **Slow Learners**
- If aggregate score in Internal Assessment is > 70%; **Advanced Learners**
- If aggregate score in Internal Assessment score is $\geq 40\%$ and $\leq 70\%$; **Average Learners**

The Institution follows a standard protocol in identifying the slow learners and takes immense measures in providing opportunities for mid-course improvement for the same.

Make-up assignments are one among the opportunities provided to the students in supporting their academic improvement.

A senior faculty In-charge along with class co-ordinator is assigned to handle the slow learners for training in each internal assessment exam.

The week prior to the internal assessment, make-up assignments are allotted to the slow learners in the topics related to the concerned internal assessment. A last date is assigned for the submission of the assignments. This is not publicized, and the information are personally communicated to the students.

Remedial Classes

Remedial classes are one among the opportunities provided to the students in supporting their academic improvement of slow learners.

Note: Policy is subjected to change as per guidelines and norms of Regulatory Bodies.
