The theme for World Hand Hygiene Day 2023: "Together, we can accelerate action to prevent infections and antimicrobial resistance in health care and build a culture of safety and quality in which hand hygiene improvement is given high priority. aims to highlight the importance of achieving effective hand hygiene and infection prevention and control (IPC) measures at the point of care. Hand hygiene saves millions of lives every year when performed at the right moments and in the right way during health care delivery. Clean care protects both patients and health workers.

Dr. (Prof) Sheetal Saxena, Prof. Ancy Varkey, Prof. Yasmin Sharma, Asst. Lecturer Deepika Singh, Asst. Lecturer Dolly Sawner, Asst. Lecturer Abhilash Kolare has also given their guidance and support.

The Pulse Polio Program is a public health initiative aimed at eradicating polio by vaccinating all children under the age of five against the polio virus. The program was organized by Choithram College of Nursing at UG Block for training of B.Sc. Nursing 3rd year students for the polio duty i.e.held between 10,11&12th December 2023, on 10th December -booth activity and 11&12th December - house to house activity to ensure the effective implementation of polio vaccination campaigns.

.The program was led by Dr.Chetan Hada and Mr.Santosh Bhawar (PHM),aiming to enhance the students understanding the role of community health nurse.

The trainers highlighted the key components of the pulse polio training program-Students are trained on proper vaccination techniques to administer the polio vaccine safely and effectively. Training includes guidance on the correct dosage, route of administration,and storage of polio vaccine. Training programs emphasize the importance of cold chain management to prevent vaccine spoilage. Training programs teach participants how to record vaccination data and report it to relevant health authorities.
