PROCEDURE FOR OPTIMAL RESOURCE UTILIZATION

At Choithram College of Nursing, Optimal resource utilization is thoroughly planned to ensure the highest education standards and operational efficiency. Adequate funds are allocated for various initiatives, including Academic activities, orientation programs, workshops, conferences, faculty and professional development programs, interdisciplinary activities, training sessions, value-added courses, add-on courses, and infrastructure development. These efforts are aimed at maintaining and enhancing the quality of education provided.

The budget is also strategically utilized to cover day-to-day operational and administrative expenses, as well as the maintenance of fixed assets. To support learning practices, the college enhances its library facilities annually with requisite funds. Furthermore, substantial resources are dedicated to the development and maintenance of the college's infrastructure.

In addition to these educational and operational investments, Choithram College of Nursing allocates funds for social service activities and welfare measures. This includes supporting faculty and students to attend national and international conferences, covering membership fees for professional organizations, and conducting research, thereby fostering a well-rounded and progressive educational environment.
