ENVIRONMENTAL SUSTAINABILITY AND CONCIIOUSNESS

Green Campus Initiatives

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Choithram Management has shown remarkable awareness in maintaining an eco-friendly campus. On visiting the Campus, one can experience the aesthetic and elegant buildings, splendid lawns, spacious sports grounds and lush green environment conducive for teaching-learning process.

INSTITUTIONAL INITIATIVES

1. Restricted entry of automobiles

→ The vehicles owned by faculty or students with pollution check stickers and are permitted into the campus. Random checks are made to check the validation and. For two wheelers or four wheelers, security measures are mandatory.

2. Pedestrian-friendly pathways

→ Vehicle parking space is provided at the main entrance of the college campus. As the campus is vehicle free with some exceptions, students and staff experience comfort walking through the pedestrian friendly pathways. .

3. Ban on use of plastics

→ A strict resolution has been taken by us on not to use any plastic

disposables on any occasion which is replaced by eco-friendly paper bags and is still continuing till now. Encourage the staff & students to avoid the plastic use and issuing orders/circular from time to time.

4. Landscaping with trees and plants

- Landscaping of the college is worth seeing and reflects aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisor.
- The construction, maintenance and beautification committee constituted to look after the development and maintenance of the greenery in the campus. Green Landscaping with Trees and Plants – the campus is beautifully landscaped and has received appreciation in form of many awards and certificates.

1. Restricted Entry of Automobiles
