

Yearly Status Report - 2018-2019

Part A

Data of the Institution

Part A	
Data of the Institution	
1. Name of the Institution	CHOITHRAM COLLEGE OF NURSING
Name of the head of the Institution	Prof. Aradhana Michael
Designation	Principal
Does the Institution function from own campus	Yes
Phone no/Alternate Phone no.	07314939909
Mobile no.	9826050048
Registered Email	cconursing@yahoo.co.in
Alternate Email	arumichael@gmail.com
Address	:Choithram College of Nursing, Choithram Hospital & Research Centre, Manik Bagh road, Indore, Madhya Pradesh.
City/Town	Indore
State/UT	Madhya Pradesh

Pincode	452014																		
2. Institutional Status																			
Affiliated / Constituent	Affiliated																		
Type of Institution	Co-education																		
Location	Urban																		
Financial Status	private																		
Name of the IQAC co-ordinator/Director	Prof. Shreeja Vijayan																		
Phone no/Alternate Phone no.	07314939909																		
Mobile no.	9977306995																		
Registered Email	cconursing@yahoo.co.in																		
Alternate Email	shreeja.vijayan@yahoo.co.in																		
3. Website Address																			
Web-link of the AQAR: (Previous Academic Year)	http://choithramnursing.com/wp-content/uploads/2021/05/AQAR-2017-18-Choithram-college-of-NursingIndore-Madhya-Pradesh-1.pdf																		
4. Whether Academic Calendar prepared during the year	Yes																		
if yes,whether it is uploaded in the institutional website: Weblink :	https://choithramnursing.com/wp-content/uploads/2021/07/Academic-calender-2018-19-1.pdf																		
5. Accrediation Details																			
<table border="1"> <thead> <tr> <th rowspan="2">Cycle</th> <th rowspan="2">Grade</th> <th rowspan="2">CGPA</th> <th rowspan="2">Year of Accrediation</th> <th colspan="2">Validity</th> </tr> <tr> <th>Period From</th> <th>Period To</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>B++</td> <td>2.89</td> <td>2017</td> <td>19-Jul-2017</td> <td>19-Jul-2022</td> </tr> </tbody> </table>						Cycle	Grade	CGPA	Year of Accrediation	Validity		Period From	Period To	1	B++	2.89	2017	19-Jul-2017	19-Jul-2022

				Period From	Period To														
1	B++	2.89	2017	19-Jul-2017	19-Jul-2022														
6. Date of Establishment of IQAC	14-Jun-2012																		
7. Internal Quality Assurance System																			

Quality initiatives by IQAC during the year for promoting quality culture

Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries
Timely Submission of AQAR	29-Dec-2018 15	30
Administrative Academic Audit	14-Mar-2019 2	5
Regular IQAC Meeting	10-Oct-2018 7	17

[View File](#)

8. Provide the list of funds by Central/ State Government- UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Department/ Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Choithram College of Nursing	Training Programmes/ Workshops	NHM	2018 23	832000
Prof. Aradhana Michael	Situational Burn Analysis	NPPMBI	2019 365	92000

[View File](#)

9. Whether composition of IQAC as per latest NAAC guidelines:

Yes

Upload latest notification of formation of IQAC

[View File](#)

10. Number of IQAC meetings held during the year :

7

The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website

Yes

Upload the minutes of meeting and action taken report

[View File](#)

11. Whether IQAC received funding from any of the funding agency to support its activities during the year?

Yes

If yes, mention the amount

4000

Year

2018

12. Significant contributions made by IQAC during the current year(maximum five bullets)

Exclusive workshop and skill Station for undergraduates and keep them updated to work independently in community as well as in Apex Accredited hospitals

Public Private collaboration - Leadership role in execution of National Health Programmes and NHM activities

Faculty Contribution as National Mentor in Ministry of Health And Family welfare

Adherence to Academic Calendar and Holistic development of students

Nurse Led Clinics

[View File](#)

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Free Health Camps	Benefited Vulnerable groups of the society
Health Days Observed	Sensitized towards social responsibility
Conferences / Workshop	Updated Skill and wider area of knowledge
Curriculum Planning / Academic Calendar	Academic Outcome improved
View File	

14. Whether AQAR was placed before statutory body ?

Yes

Name of Statutory Body	Meeting Date
Board Of Management	02-Dec-2019

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?

No

16. Whether institutional data submitted to AISHE:

Yes

Year of Submission

2018

Date of Submission

09-Feb-2018

17. Does the Institution have Management Information System ?

Yes

<p>If yes, give a brief description and a list of modules currently operational (maximum 500 words)</p>	<ul style="list-style-type: none"> • College office has management system software installed from PURSHO enterprise since year 2017, named classmate college management system at office in which access to different categories such as students, hostel, employee, library, accounts and administration information's are there in one click. In student's category there is list, ID card, Fees collection, daily attendance, marks entry and promotion of all the UG and PG students. In hostel category there comes the hostel information such as room details and bed plan. In employee category there is employee list, salary list, salary pay, attendance, deductions and allowance list of all the employees. In library category there is supplier information, book information, books list, details of book issued and returned. The management information system is regularly updated. • Library also has the library management system software installed from PURSHO enterprise since 2017. In this software the information about supplier information, book information, books list, student's record, details of book issued and returned is well maintained and updated. • Institution have active Web portal: http://www.cconursing.com • DELNET URKUND software for data access and plagiarism are opted by the institution. Login ID with password is allocated to UG and PG students for DELNET. • Installed Hospital Information Management System (HIMS) in parent hospital for details of accounts, patients list, pharmacy etc for smooth functioning of hospital services.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Choithram College of Nursing is currently having the following mechanism for effective delivery of the curriculum. In the beginning of the new academic session, IQAC call a meeting to discuss the plan of activities with a view of providing more enhanced academic experience for the students in all curricular aspects. The academic calendar of events is also developed. There after all Class co-ordinators prepare master rotation plan, clinical rotation plan and

monthly theory planner as per the university prescribed hours and present it in faculty meeting headed by Principal, so that all teaching faculty would be duly informed for the scheduling of whole sessions. The institution works through 5 specialities. The entire syllabus of particular subject or course is planned and divided among the respective faculty members. Later, the planned schedule is being discussed in the department meetings. Class co-ordinators, make report of the monthly progress of the sessions and any issues regarding curriculum need to be rectified are discussed in regular faculty meetings. We have a rich library with open access system and each department have their own departmental libraries too, for the benefit of faculty and students. A good number of journals (International, National and State) are available in the library. Various class room teaching methods based on the needs of different subjects are regularly used for the effective delivery of curriculum. The coordinators of theory, clinical and assessment duly check, coordinate and evaluate the progress of curriculum and make sure completion of the syllabus and implementation of internal examination of both theory and practical in time. Along with ongoing assessment, performance of each student is assessed twice in all clinical areas at the beginning and end of the posting with specific clinical evaluation format. The progress of students in clinical area are monitored and handed over to next teacher responsible for supervision as student's postings rotate. Regular clinical and faculty meetings are conducted and documented regarding students progression. External expert classes are arranged for the students. Clinical case study presentation and clinical presentation are given to the students to develop clinical judgement and skill evaluation. It is mandatory for teachers and students to participate in International and National Health days and weeks (such as Breast feeding week, Mental Health week) observed during the academic year so that they remain updated with the thrust areas and get sensitized for national cause.

Maintenance of Records & Documents related to students:

- Academic File
- Clinical Roster
- Academic performance report
- Clinical evaluation form
- Leave record, night pass record (for hostellers)
- Sick leave and health record, OPD register
- Any specific achievement during the academic year, any disciplinary action taken against student
- Student's personnel file
- Report of Grievance Redressal
- Incidental reports
- Conference & workshop attended
- Co-curricular activities
- Cultural Event record
- Expert lectures
- N.S.S student activity report

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

Certificate	Diploma Courses	Dates of Introduction	Duration	Focus on employ ability/entrepreneurship	Skill Development
Short skill development programme for midwives	Nil	04/12/2018	5	Focus on employability	yes
Diploma course	Advance midwifery training Midwife practitioner	20/03/2018	540	Focus on employability	yes

1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the academic year

Programme/Course	Programme Specialization	Dates of Introduction
No Data Entered/Not Applicable !!!		

No file uploaded.

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
MSc Nursing	Choice Based Credit System (CBCS)	01/10/2018

1.2.3 – Students enrolled in Certificate/ Diploma Courses introduced during the year

	Certificate	Diploma Course
Number of Students	23	1

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
Yoga Professional course	07/11/2018	281
View File		

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
MSc Nursing	Improving maternal and child health and nutrition through pilot interventions and capacity of Healthcare workers in Jhabua district Improving maternal and child health and nutrition through pilot interventions and capacity building	8
BSc Nursing	Exploratory study to find out the usage of smartphone and internet by the school children and its associated side-effect on their well-being	7
View File		

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

Feedback system is an important part of assessment process. It has a significant impact on student learning. College have a systematic feedback system from all stakeholders ie students, teachers, alumni and parents.

Student's feedback The student's feedback is received at the end of every academic year. It is taken with respect to teaching methodology and executed curriculum. Feedback is analyzed and depicted in graph. Students provide their suggestions regarding the whole year program based on coverage of course subject, teaching learning resources, overall opinion about the course etc. for improvement in teaching learning process. This feedback is utilized to decide whether to make any change in teaching methodology or to give more focus on any particular unit or clinical area and this in turn is used for planning next academic session. (Student's Feedback Analysis File is maintained)

Teacher's feedback This also taken at the end of academic year. Teachers evaluation is done based on individual performance, teaching load, completion of the theory and practical hours, career development programs, undertaking research projects, presentation and publications. It is mandatory for teachers to go through with the upgradation programme so that they keep abreast with latest information and thrust area while imparting teaching and supervise students in clinical area. (Conference workshops organized/attended and Certificate / Diploma/Orientation course for Faculty File is maintained)

Alumni Feedback The Alumni feedback is collected from our students after the completion of the program and when they start working. This gives true feedback of their entire curriculum, teaching learning experience and helps to know how the curriculum has been helped them in facilitating their work experience. The suggestion given by the alumni is being discussed and important points are incorporated for implementation. Alumni suggestions are welcomed during alumni meet and funds are raised to support the needy students and for the alumni who applies for sponsorship. (Analysis of Alumni feedback File is maintained)

Parents feedback Parent's feedback is taken at the time of parent's teacher meeting through direct contact and at the end of academic session by Parent Teacher meeting and through mail/SMS/ Whats app. The feedback is discussed with Faculty and modifications are made if needed. During the meeting PTA members give their valuable opinion and suggestions that enhances overall improvement in student's curriculum. (Parent Feedback file is maintained)

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
MSc Nursing	AS PER INC	25	23	16
BSc Nursing	AS PER INC	75	169	72

[View File](#)

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG	Number of fulltime teachers available in the institution teaching only PG	Number of teachers teaching both UG and PG courses

			courses	courses	
2018	72	16	31	15	31

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
30	30	11	6	2	7
View File of ICT Tools and resources					
View File of E-resources and techniques used					

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The importance and value of high quality learning environments for all nurses and midwives is recognized and acknowledged by all involved in the education, learning and development of the health care profession. Education, training and the skills of mentors is vitally important for learning and practice of nursing students. High quality, practicebased education in a clinical setting is central to the preparation of future registered nurses and midwives this is the environment in which students are able to apply their knowledge, learn key skills and achieve the required competence. College has 30 qualified and experienced nursing faculty, students are grouped and assigned to a teacher. Formal introduction of mentor mentee takes place. During the mentoring students are assessed through discussion, observation, simulation, OSCE and peer evaluation for their clinical and theory skills, competencies and ability to apply theory in to practice and function. Relevant and appropriate opportunities and support is provided to the students in clinical as well as class rooms. Point of concern is noted down. Students are evaluated in clinical and in class rooms through the regular redemonstration, their presentations and test. Students are encouraged to make self assessment. If we found student not progressing or not showing improvement, corrective and remedial measures are taken through common discussion among senior faculty members. Group of mix students (slow and fast learner) are formed to enhance learning. Study hours are arranged in hostel apart from college timings. Documentation of all conversation is kept in student record and register. Students are helped to recognize their special skills (strength and weakness) in academics and clinicals so that they can choose their area of interest (Clinical wards/units in hospital) after completing their training for their placement.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
318	31	1:10

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
30	30	Nil	9	1

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2018	DR. USHA UKANDE	Principal	Strengthening Midwifery Care in India Member of Technical Advisory

			Committee Govt. of India NHM, WHO, Ministry of Health and Family Welfare
2018	DR. USHA UKANDE	Principal	Excellence for Empowering Women and Midwives Institute of Holistic Medicine, Indore
2018	PROF. SHREEJA VIJAYAN	Professor	National Coach NHM Faculty MPNHM National Health Mission
2018	PROF. SHREEJA VIJAYAN	Professor	Gold Medalist in Neonatology Nursing Fellowship National Neonatology Forum
2019	PROF. ARADHANA MICHAEL	Principal	Project InCharge - CHO Training IGNOUNHM
2019	PROF. ARADHANA MICHAEL	Principal	Participation Certificate: A strategic initiative for improving vaccination coverage in identified districts (a PRAGATI initiative). NHM Ministry of Health and Family Welfare
2019	PROF. SHEETAL SAXENA	Professor	Appreciation certificate Mukhya Chikitsa Evam Swasthya Adhikari, Indore
View File			

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year-end examination	Date of declaration of results of semester-end/ year- end examination
No Data Entered/Not Applicable !!!				
View File				

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

1. Continuous internal assessment is said to be systematic in the sense that it requires an operational plan which indicates what measurement are to be made of the student's performance at regular time intervals. 2. Continuous internal assessment is conducted through regular unit test, class presentations, OSCE, OSPE. 3. Weekly clinical evaluation is done for individual students by the respective teachers through a selfstructured clinical evaluation format. 4. Teachers discuss the weak points as well as strong points, so that they could improve themselves as well as get motivated to do more better. 5. Regular unit test are conducted to monitor the progress of each student. 6. Students are regularly communicated their periodical results through marksheets. 7. Internal assessment is also done through Projects and assignments. 8. OSCE OSPE are also conducted subject wise to improve their clinical skills. 9. Formative and summative evaluation is done at regular intervals so that each students progress could be evaluated. 10. Session results are displayed over the notice board.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

1. At the beginning of each academic session, college prepares its proposed academic calendar, which is uploaded on the college website. The proposed academic calendar is prepared according to the notices and circulars and syllabus received from the affiliating university. Students are informed about the academic calendar of the college notifying the probable teaching days, dates of internal examinations, curricular, extension related and cocurricular activities. 2. Orientation programme is organized every year for newly admitted students to make them aware of the mechanism for curriculum delivery and implementation. 3. Academic committee of the college prepares the master routine (Rotation) and circulates it to different departments. Routine is prepared strictly in accordance to the prescribed syllabus of each course offered by the college. Routine is prepared by the committee for all the programs, all programs classes are scheduled by the concerned departments after considering the allotted courses and programs of the master routine. Generally clinical and practical hours/ demonstration classes are held in the morning session and theory classes are scheduled in the afternoon (Second half). Students are posted in clinical areas according to their course requirement and subjects and number of patients available in wards and hospital. 4. Based on the departmental routine, departments conduct meetings for allotment of classes and syllabus distribution among the teachers. Students are given details of teaching assignment of each teacher at the beginning of a session by the department 5. Based on the teaching assignments allotted in the syllabus distribution, teachers prepare their teaching plans according to the number of lectures allotted in the university syllabus for each topic 6. Along with the traditional chalk and talk method, teachers use power point projections, videos during the lectures to demonstrate topics 7. Class tests/surprise test and student seminars are held after completion of a section of the syllabus and periodic review of performance of students is undertaken 8. Tutorial classes are held in some departments within class routine hours for which separate attendance registers are maintained 9. Classes and clinical duties of students are also held during the summer and vacations every year to keep pace with the curriculum of Nursing Syllabus as per INC. 10. Field visits are planned for bachelors and masters students at local, regional and national levels. Students are sent for specialized posting as per their specialties in tertiary care hospitals of Delhi, Mumbai, NIMHANS, Banglore, Ranchi etc. Students are sent to observe water filtration, Milk Hygiene, meat hygiene, Sanitary museum, Old age home, Orphanage home, De addiction centre, rural health centre i.e. CHC, PHC and district hospitals etc. 11. Post graduate students are specially trained to handle assignments, open house seminars and dissertation to prepare them for academic research in future. Students planned and organized State level or

National level workshops or seminars based on need and current demand under the guidance of their subject coordinators. 12. Interactive sessions with students and, sometimes with guardians are held to identify problem areas. Special care is taken to address the problems of

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

<https://choithramnursing.com>

2.6.2 – Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
NP131	BSc Nursing	NURSING	68	65	92.64
NP131	BSc Nursing	NURSING	73	73	100

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

a) SOLAR PANELS Solar panels are already mounted on the rooftop of the hostel, for warm water circulation for students use b) CONTRIBUTION IN SWACHH BHARAT ABHIYAN Government of India initiated Swachh Bharath Abhiyan in which Indore consistently bagged 1st rank as cleanest city in India for the year 2019. Choithram college of nursing contributed in this campaign by motivating students and promoting environmental consciousness among them, they were also involved in cleaning the campus by following the waste segregation norms as placed by the government: Dry Wastes and Wet Waste. It is practising in college as well as in hostel. c) WAR FOR PURITY During the program students of B. Sc. Nursing carried a rally with posters slogans with the theme "ShudhKeLiyeYudh" which awakend people against adulteration. March was organized with the instructions of Chief Minister Kamal NathJi to make M.P free from food adulteration. This walking march began from Madhumilan Square to RNT square d) RESTRICTED USE OF PLASTICS A strict resolution has been taken by us on not to use any plastic disposables on any occasion which is replaced by ecofriendly paper bags and is still continuing till now. e) USE OF ECOFRIENDLY MATERIALS On occasion of Ganesh Chaturthi, the idol of Lord Ganesha was made using clay and best out of waste, also 'ganeshvisarjan' was done in the campus and water was used for nurturing the plants. g) AQUA AERO WATER SUPPLY SYSTEM A new aqua aero water purifier system was implanted in the hostel for safe drinking water also the residual water is reused for mopping and washing purposes.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

a) The Community Health Nursing Department of Choithram College of Nursing organized a CPR 10 Skill Training Program on 22/Oct/19 at Govt. School Banganga under the Guidance of Prof. Sheetal Saxena (Officiating principal). A total of 150 Govt. School Girls were trained in this. Repeated demonstration was done by girls which helped them to be aware of life saving techniques. b) Mental Health Nursing Department of Choithram College of Nursing is using movies based on Psychiatric disorders as innovative teaching method for B.Sc. Nursing and M.Sc. Nursing students in clinical area. Movies help to engage students and allow highlighting important topics also to build interest in them. Various Psychiatric disorders were shown using cinematographic motion pictures. Disorders such as Depression, PTSD, Substance Abuse, Alzheimer's disease, and Schizophrenia were covered, which widened the understanding of symptomatology of disorders. Also it enabled students to differentiate between various look alike disorders. A discussion was kept which included all the aspects of disorders. After the clips were shown, main points were highlighted and underling doubts were cleared. Visualizing the disorders in a real like dramatic motion pictures gave a reality presentation of the Psychiatric disorders which made concepts intelligible. c) To impart critical selfdefence and confidence training to Our B.Sc. (N) studentsthey participated in Mission Sahasi Mega demonstration. A Joint Initiative of ABVP Vidyardhi Nidhi in Association with Shifujis Mission Prahar. "Making of the fearless"the tagline for this project is salience of training by Master Trainer ShifujiShaurya Bhardwaj, during the program simple ways of selfdefence were taught to the

girls to raise awareness and protection.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

"Improving maternal and child health and nutrition through pilot intervention and capacity building of Health Care Workers in Jhabua dist." By "Jan Sahas" NGO and "Choithram College of Nursing" The idea of this project is to target malnutrition in children right from the time they are conceived, keeping in mind the maternal health was visualized in one of the meetings between Jan Sahas and Choithram. As, Jan Sahas had experience in working around Nutrition and Choithram was expert in working with women to promote safe and natural childbirth. So, both the organizations joined hands together to work for this project. This Project is still continuing with its aim. During the year of 20182019 many activities had been conducted under this Project. Two days visit and training for the JANSAHAS team members was organized on 23/2/19 and 24/2/19 regarding places to visit and to meet with mothers to talk about their reported health issues like normal and Csection deliveries and indications, cases of late cord cutting, status of anemia among mothers and other related complications. Training for field workers of Jansahas was also conducted. As per the project proposal to cover the Maternal Child Health a health camp was organized on 27/05/19at village Julvaniya, District Jhabua (M.P). Under the camp registration followed by monitoring Ht. and weight, B.P, Hb, and blood sugar done of all the people who attended the camp. A total number of 49 antenatal and 1 postnatal mother attended the camp. Antenatal checkup was done including monitoring Ht. and weight, B.P, Hb, and blood sugar, antenatal palpation and FHR monitoring of every antenatal mother. Two days "Capacity Building and Training Programme" was conducted for government health care providers (AWWs, ANMs, and ASHAs) on 28th and 29th of August 2019 in Shanti Niketan Hall, Jhabua with the coordination of Jansahas group and Choithram College of Nursing. Total 104 participants attended the program. In this program normal and warning signs of pregnancy, Respectful Maternity Care and Demonstration class on antenatal exercise were dealt and taught to the health care providers. Another health camp was organized by Choithram in collaboration with Rotary club NGO Jansahas on 23rd October 2019 at Aadarsh School Siddheshwar, Jhabua. Total 230 people registered in the camp. Out of 105 antenatal mothers and 2 Gyanec cases registered for the health checkup. Choithram College of Nursing under the aegis of NATIONAL HEALTH MISSION (Govt. of India project) organizedMental health Training Program for the staff nurses working at various CHCs, PHCs and UPHCs of Madhya Pradesh. The purpose was to train staff Nurses working at grass root level (At various CHCs, PHCs and UPHCs of Madhya Pradesh) for early identification and referral of mental illness in the community. In this Training Program 219 Staff Nurses of 45 Districts of Madhya Pradesh were benefited. During this program expert Faculties were invited from Rajasthan, Gujarat, Chhattisgarh and Maharashtra states. This training program conducted in a total of 10 cycles started in the month of January March 19
